There are truly few places in the world that are as strikingly beautiful and supremely tranquil. The complex includes 20 hectares of territory with 16 churches, two underground cave systems that contain the mummified remains of Orthodox saints and their relics, a central cathedral, seminary, and a (recently reopened after reconstruction) 96.5-meter-tall bell tower. This is a deep cultural experience.

Towering 62 meters over the banks of the Dnipro River is one of Kyiv's most striking monuments - the Motherland. Surrounding the sculpture is a beautiful and spacious 10 hectares' memorial complex that includes the large and memorable «Flame of Glory» one of the biggest displays of military vehicles and artillery in the country, and Ukraine's World War II History Museum. The museum, one of the largest in Ukraine, houses one of the biggest collection of World War II relics in one place (it has 400,000+ exhibits!). The complex is not just for history buffs, who will enjoy both the breadth and comprehensiveness of the complex, but for everyone attracted to rich stories of sacrifice, valor, devotion and patriotism.
