

Derenivska Kupil Health Resort

<https://derenivska-kupil.ua/en/>

Location: village Nyzhne Solotvino, 150, Transcarpathian region

Distance to Uzhgorod – 20 km (25 minutes drive)

Distance to Mukachevo – 28 km (30 minutes drive)

It is in the picturesque foothills of the Carpathians, among the magnificent landscapes of the Derenivka ravine, where special healing water originates, having glorified this area in Europe yet four centuries ago. Aristocrats and commanders, merchants and artists came to Derenivka to take the baths and drink the life-giving water, which, according to the legend, returned not only health and strength, but even youth.

Today in the Derenivska Kupil, life is revolving around – there are **hotels and restaurants, SPA and active recreation areas**, business and art spaces, everything being surrounded by a magnificent botanical garden and a unique sculpture park.
