# We are part of Safe Travels Global Initiative

Same as World Travel&Tourism Council, we envision a **future of travel which is safe**, secure, seamless and provides an authentic and meaningful experience to the traveller across the journey.

As travel to Ukraine slowly started to revive, we at **Ukrainian Incentives DMC** support **WTTC Global initiative "SAFE TRAVELS"** and **implement protocol for tour operators in our company.**

We ensure travelers that we work with suppliers, who are responsible and **take all necessary safety measures**: increased disinfection, mask regime, social distance and comply with all safety protocols.

The protocols align the private sector behind common standards to ensure the safety of its workforce and travellers with the sector-wide recovery efforts during a new normal.

**Travel safe and be responsible!**
