

Entry Regulations New for Ukraine

To enter UKRAINE foreign travelers MUST have:

✓ fresh negative PCR-test, made no earlier than 72 hours before arrival
(NO quarantine required except of citizens of India and travelers coming from India)

✓ insurance, covering all covid-related cases
This is mandatory from 00.00 24 of March 2021.

Without these docs travelers cannot enter the country now.

Please, check if you have all documents, required by country of transit and origin. Be healthy and #travel safe!
